

Wearlane - Catalogue Test Results

Date: 02 October 2026 | Module owner: Diyarbek | Desktop execution: automated browser checks
Mobile evidence: user-supplied screenshots, reviewed against expected results | iPhone 14 Pro Max / Safari
Desktop: Chrome, 1363 x 936 | Summary: 25 Pass, 0 Fail, 0 Not tested within the recorded scope

Website: <https://diyarbekdaskali.github.io/Retake-it-agile-group-1/>

ID	Steps	Expected result	Actual result	Status
CAT-01	Home > Shop essentials.	Catalogue opens with product cards.	18 styles displayed; names, categories, prices and View fit links present. [See E1]	Pass
CAT-02	Select T-shirts.	Only T-shirts are shown.	6 T-shirt styles; no hoodie or jacket cards in results.	Pass
CAT-03	Select Hoodies.	Only hoodies are shown.	6 hoodie styles, including the sold-out Studio cropped hoodie.	Pass
CAT-04	Select Jackets.	Only jackets are shown.	6 jacket styles shown.	Pass
CAT-05	Select All after category filtering.	Full catalogue returns.	18 styles restored.	Pass
CAT-06	With All selected, enter hoodie.	Matching products appear.	6 hoodie products returned.	Pass
CAT-07	Replace query with HOODIE.	Same results as lowercase query.	Same 6 hoodie products returned.	Pass
CAT-08	Enter two spaces, hoodie, then two spaces.	Leading/trailing spaces do not change matches.	6 hoodie products returned.	Pass
CAT-09	Enter zzzz-no-match-938.	Zero results and useful recovery message.	0 styles; No styles found; Try a different search or category; Clear filters. [See E2]	Pass
CAT-10	Empty the search field.	Full catalogue returns.	18 styles restored.	Pass
CAT-11	Search hoodie, then select T-shirts.	Results satisfy both query and category.	0 styles and No styles found displayed.	Pass
CAT-12	From empty results, click Clear filters.	Search clears and All products return.	Search field empty; All selected; 18 styles displayed.	Pass
CAT-13	Select Price: low to high.	All prices appear in ascending order.	15,18,19,20,22,24,32,38,39,42,45,46,48,52,54,58,62,68 euros.	Pass
CAT-14	Select Price: high to low.	All prices appear in descending order.	68,62,58,54,52,48,46,45,42,39,38,32,24,22,20,19,18,15 euros.	Pass

ID	Steps	Expected result	Actual result	Status
CAT-15	Select Name: A to Z.	Product names appear alphabetically.	18 names correctly ordered, from Boxy studio tee to Zip-through fleece jacket.	Pass
CAT-16	Change sort back to Featured.	Initial featured order returns.	Everyday heavyweight tee, Campus heavyweight hoodie, Everyday coach jacket first.	Pass
CAT-17	Click image link for Everyday heavyweight tee.	Matching product details and price open.	Correct heading, 18 euros, description, Relaxed fit, 100% cotton, 240 gsm. [See E3]	Pass
CAT-18	On tee details, click Add to cart without size.	Addition blocked with an explanatory message.	Please select a size before adding to your cart. Cart remained at 0. [See E4]	Pass
CAT-19	Select M, then L.	Only the latest size remains selected.	M changed to unchecked; L checked.	Pass
CAT-20	With L selected, Add to cart; open Cart.	Correct product and size are passed to cart.	Everyday heavyweight tee, Size L, quantity 1, unit price 18 euros. [See E5]	Pass
CAT-21	Open Studio cropped hoodie.	Stock message and disabled purchase control.	Currently out of stock and disabled Sold out button. [See E6]	Pass
CAT-22	Inspect all 18 catalogue image elements.	All product images load.	All 18 images complete with nonzero natural width.	Pass
CAT-23	Compare first four cards and tee detail image/text.	Visible garment types match product names.	Tee, hoodie, coach jacket and denim jacket visually match; tee card/detail consistent. [See E1, E3]	Pass
CAT-24	On iPhone 14 Pro Max / Safari: open catalogue; filter Hoodies; search Hoodie; sort price ascending; open Boxy studio tee, select L and add to cart.	Readable mobile screens and correct results for the sampled filter, search, sort, detail and size-to-cart flow.	User screenshots show 18 styles; 6 hoodies for filter/search; visible prices 15,18,19,20 euros in order; size L selected; cart has Boxy studio tee L, quantity 1. See M01-M10.	Pass (evidence reviewed)
CAT-25	Open all 18 detail pages. Compare card/detail names, prices and image sources; visually review the garment against its description.	Consistent names, prices and images; descriptions agree with visible garment features.	All 18 reviewed. Names, prices and images match. No visible feature mismatch found. See full audit and A01-A18 screenshots.	Pass

No confirmed defects in the recorded checks. No code changes made. Personal verification of desktop work, Jira attachment, reviewer feedback and the Sprint 1 demonstration remain pending. CAT-24 is based on user-provided phone screenshots; CAT-25 was completed in a follow-up browser run. All evidence dates are 02 October 2026.

Mobile scope: representative screenshot states only, not direct interaction with the phone. No visible content overflow in the sampled screens; touch behaviour, every scroll position, other devices and all mobile sort/filter combinations are not independently verified. Fabric composition, fabric weight and packing performance cannot be established from images.

CAT-25 - Full Product Content Audit

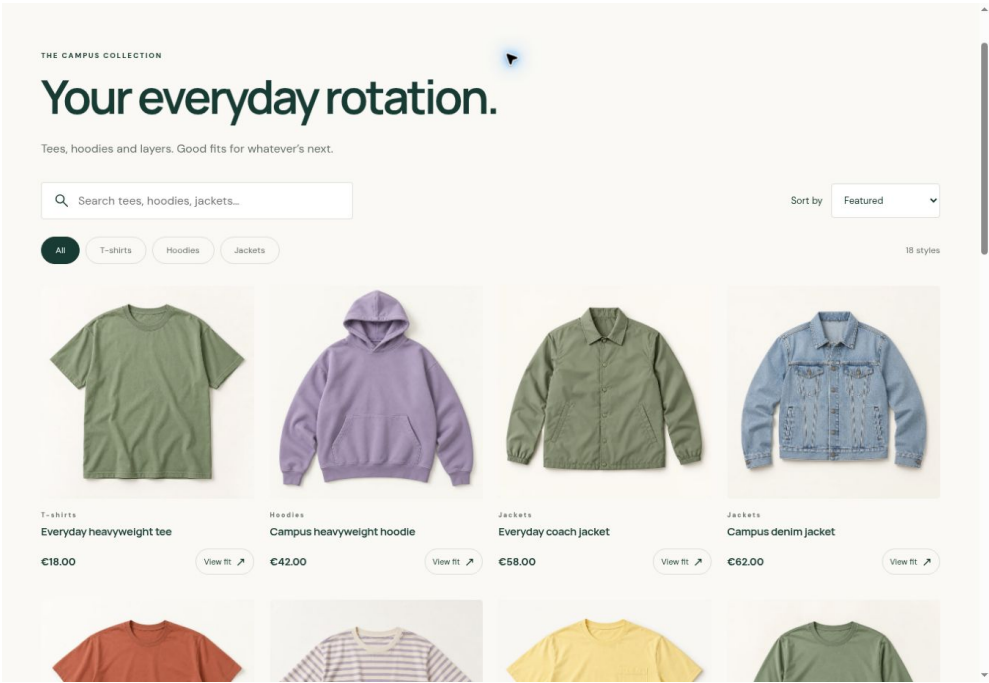

All 18 detail pages reviewed on 02 October 2026. Card/detail names, prices and image sources matched for every product. Visual notes cover features visible in the image; material claims remain unverified.

CAT-24 - Mobile Evidence Review

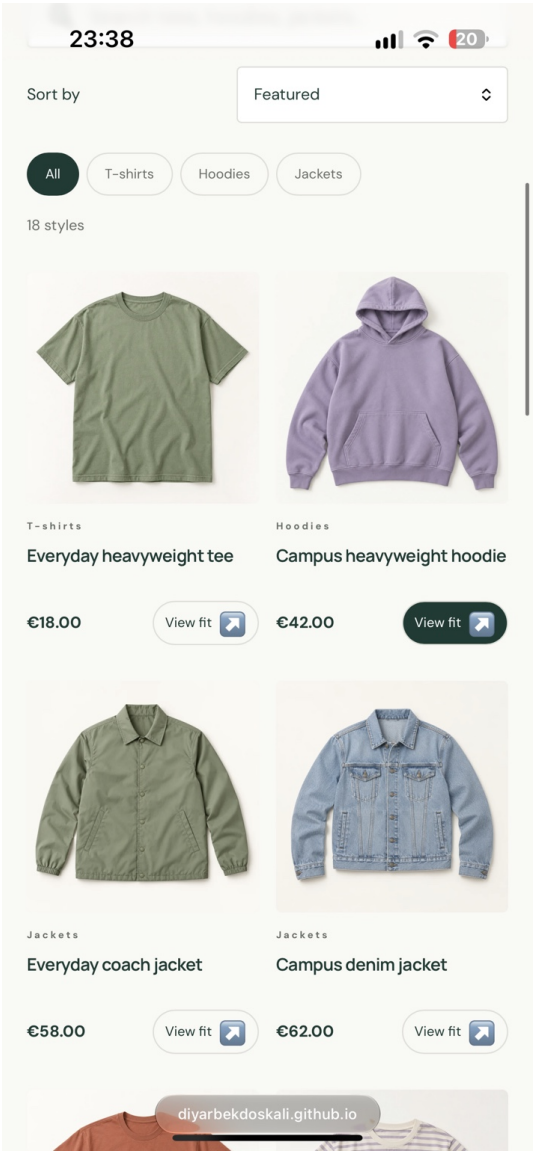

Device: iPhone 14 Pro Max | Browser: Safari | User-supplied screenshots captured 02 October 2026, 23:38-23:40.

Check	Actual result	Evidence	Status
Catalogue layout	18 styles; readable two-column product cards.	M01-M02	Pass
Category filter	Hoodies selected; 6 hoodie products shown.	M03-M04	Pass
Product search	Hoodie query; 6 matching results shown.	M05-M06	Pass
Ascending price sort	Price: low to high selected. Visible products follow 15,18,19,20 euros.	M07-M08	Pass
Detail and size selection	Boxy studio tee, 19 euros; L visibly selected.	M09	Pass
Size-to-cart handoff	Boxy studio tee, Size L, quantity 1, subtotal 19 euros; total 21.90 euros with delivery.	M10	Pass

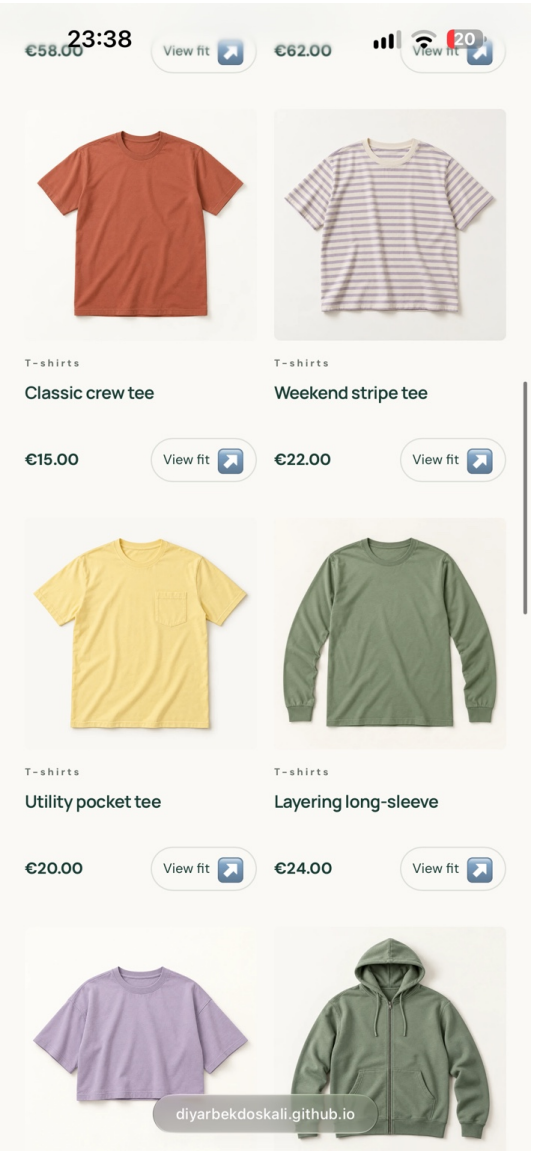

No visible layout defect identified in the submitted states. Safari browser controls temporarily cover part of the Add to cart button in M09; the successful cart state and confirmation in M10 support completion of the sampled flow. This evidence does not constitute exhaustive mobile testing.
